OCEAN SHORE HIGHWAY FUND CHANCES BOOSTED

S. F. Plans Some Help But Will Not Risk
Jeopardizing Waldo Approach Road
By Pleading for Peninsula

Additional encouragement that surplus gasoline tax funds would be available for construction of the Pedro Mountain link of the Ocean Shore highway was received by a San Mateo county delegation in San Francisco Tuesday.

It came, as has other encouragement, from Timothy Reardon, state highway commission member.

Supervisors Manuel Francis and Albert Witt, with Planning Commission Advisor Hugh Pomeroy, had met with Mayor Rossi and Administrator A. J. Cleary. The San Franciscans assured the local men of a sincere desire to cooperate with this county in obtaining Ocean Shore funds, but explained they didn't want to jeopardize their commitment also to support a four-lane approach for the Golden Gate bridge from the north side.

While in Rossi's office, Supervisor Witt called Reardon to arrange appearance before the state highway commission Friday.

During the conversation, Reardon said he had just learned that chances were improved for the federal government to build the Waldo approach to the bridge, at a cost of \$1,700,000, thus saving the state that amount in gasoline tax funds, and thereby releasing money for projects such as the Ocean Shore road.

Consequently, the San Mateo county group, since the state gas and surplus will be well above a

million dollars, left the mayor's office with the belief that chances were extremely bright for the coast road.

Before returning from San Francisco, Witt, Francis and Pomeroy appeared before the San Francisco supervisors, and secured their support to the extent of appointing Supervisors Colman and Gallagher to go with the San Mateo county board to Sacramento Friday to press demands for the funds.

Maps showing the route under consideration will be prepared and data gathered in the meantime by the planning commission, said Advisor Hugh Pomeroy, who also will attend the capital session.

Supervisors Put Library Appeal To WPA Aides

Request of the East Palo Alto Women's Club for funds in the 1936-37 San Mateo county budget for a library building on the Ravenswood School grounds met with greater success than anticipated Monday when the board of supervisors referred the matter to the WPA for a possible project.

About \$2500 to \$3000 is involved. Mrs. Dora M. Crosby, chairman of the literary section of the club, spoke to the board. She had the backing of the Ravenswood Parent-Teacher Association, the East Palo Alto Grange and other groups.

On motion of Supervisor John Pole, Redwood City, the board referred the matter to Executive Walter Kellogg to see if a WPA project can be secured.

ELDERLY MAN TAKES POISON OVER GRIEF

Frank Olquiza Follows
Tony Rondon
In Death

Tony Rondon and Frank Olquiza had been not only brothers-in-law for many years, but the closest of friends.

Day before Tuesday, Rondon died. Olquiza, elderly and in ill health for a long time, dreaded facing a new year without his companionate relative.

So Tuesday at 1:30 o'clock he purchased some strychnine sulphate from a local drug store, saying he intended to poison some gophers.

Three hours later, he went into the basement of his home at 2350 El Camino Real, drank the poison, and lay down on a bed in the basement to die.

A short time later he was found by relatives. They summoned aid, but before a doctor could arrive, Olquiza had been taken by the death he courted.

Thursday he and Rondon were to be buried today.

Olquiza, a native of Granada, Spain, had lived in Redwood City for 25 years, as had his brother-in-law.

Left to mourn his passing are his wife, Alice, and seven children. Mrs. Mary Gonzales, Mrs. Carmen Gill, Frances, Mercy, Dorothy, Frank and Tony Olquiza, besides the sister, Mrs. Matilda Rondon. He was also the father of the late Mrs. Dolores McMillan.

Rondon, who was 58, leaves his wife and five children, Frank, Manuel, Mary, Antonio Jr. and Joe Rondon. The latter is well-known in Redwood City as a boxer.

PAIR JAILED IN SHOOTING INSIDE CITY

Quarrel in Roadhouse
Brings Firing, But
Bullet Goes Wild

An evening quarrel in a roadhouse which resulted in George Brooks, Negro, allegedly firing a shot from his 38 calibre pistol at Geraldine Frazer, also colored, in the presence of two police officers resulted Sunday in jailing of both Brooks and Miss Frazer.

Brooks is held on a charge of assault with a deadly weapon and Miss Frazer for disturbing the peace and intoxication.

The couple had been in the Dinah Lee Cafe just outside the city limits of Redwood City on El Camino Real. There they had quarrelled, observers stated. Miss Frazer left and Brooks followed her out.

Just as they got outside the door, which is on the Redwood City city limits line, Brooks allegedly whipped out his special Colt and fired at Miss Frazer. Policemen W. H. Thorpe and James Flynn, making their patrol, had by coincidence arrived at the scene an instant before on their regular rounds, just in time to witness the shooting.

At the point of guns, they arrested Brooks, who surrendered without a struggle, they reported.

Both Brooks and Miss Frazer reportedly lived at 1307 Hancock street.

\$2500 Damage Suit Brought After Fight

An alleged beating administered Peter Zanon, Millbrae dog raiser, Monday resulted in a \$2500 suit being brought by Zanon against Lucas.

The attack, according to the complaint filed in superior court by Atty. L. Bush Finnell, occurred last March 15. Zanon, the petition asserts, had just parked his truck in front of his home when Lucas and another man, unidentified by Zanon, both younger than their victim, struck and beat him.

SMALL BOYS RESCUED OFF CLIFF LEDGE

Youngsters Huddled
Together During
Night on Brink

PASADENA, Dec. 31 (AP)—Three small boys, who spent a harrowing night huddled together on a ledge 200 feet above the floor of a canyon near Sunland, were rescued today.

Rescuers, lowering ropes over the brink of the canyon walls, pulled the boys to safety from their narrow perch and sent them home none the worse for their experience.

The boys, James Bradford, 10; Wayne Bradford, 12, and Carl Lindquist, 11, all of Sunland, were trapped on the ledge when they attempted to descend the precipitous slope of Oliver canyon late yesterday.

Darkness defeated attempts of rescuers last night.

AFFIRMS THORNTON BUY

Answering protest of P. M. Schaible, Montana, that the proposed Thornton beach frontage purchases are too far away to benefit the coast, Planning Advisor Hugh Pomeroy today had informed the supervisors that the property should be acquired before opening of the Coast highway so that it would cost as much.

Board Takes Stand For Uptown Depot

San Mateo county supervisors today had re-affirmed the stand of Planning Advisor Hugh Pomeroy and the planning commission that peninsula rapid transit needs demand first of all an uptown San Francisco terminal.

The board agreed to adopt a resolution to that effect after hearing a report from Pomeroy on the San Francisco Rapid Transit Committee conference. Pomeroy was praised for his presentation.

The planning advisor informed the board that future commuter growth must be handled by railroad because of the inadequacy of parking facilities in midtown San Francisco.

Pomeroy said full development of El Camino Real by widening and construction of Junipero Serra boulevard and Ocean Shore highway are essential to handle the future auto traffic of the peninsula.

Some 55,000 persons daily use the highways for commuting, Pomeroy has pointed out.

PENINSULA DROPS FIGHT FOR NAVY PLANE BASE

County to Push Campaign in Event
Voters There Reject Donation
Of Airport Site to Navy

In a gesture of good will to its East Bay neighbors, the San Francisco peninsula today abandoned efforts to win the navy seaplane base from Alameda.

Civic leaders, headed by Mayor Frank Simmen of Alameda, following a meeting in the San Mateo City Hall today, decided to give the City of Alameda a clear path so that the citizens there can decide January 29 whether or not to donate the Alameda Airport properties to the United States Navy without the stimulus of competition.

The decision came following the receipt of telegrams by Admiral E. H. Campbell, commandant of the 12th naval district at Alameda, from Secretary of the Navy Claude Swanson confirming the fact that the navy prefers the Alameda site to any other offered in the San Francisco bay district.

In view of the telegrams, which were prompted by visits of Mayor Simmen and Mayor C. A. Buck of Burlingame to Admiral Campbell, the peninsulans decided to drop their efforts, and to so notify Congressman John J. McGrath.

McGrath set the peninsula efforts in motion a week ago Monday by announcing that the navy was not satisfied with the Alameda site and preferred Point San Mateo (Coyote Point) at San Mateo, which the congressman said actually had become the "No. 1" site.

ACQUIESCE TO NAVY
Simmen said that the peninsulans did not want to be put in the position of being "soreheads" and to make a campaign for the base when it was known the navy preferred some other site.

The citizens committee, Simmen said, will remain intact, and will take up its campaign immediately after January 29 should the Alamedans reject the navy's request for the free site.

In that event, it is expected that the navy will come to the peninsula and look over one of three sites, Point San Mateo, Bair Island, Redwood City, or Belle Air Island, South San Francisco, and the whole bay area is expected to fight for one of these sites against the chances of the base going to San Diego.

Decision of the peninsula civic leaders was reached in part by the revived efforts of San Diego to win the base from quarrelling northern neighbors.

McGrath will be asked to reveal if he has any information indicating the navy's preference for the peninsula site, and if there is

none, the decision of the committee today will stand.

Taking part in today's discussion besides Simmen and Buck were Mayors Hugh Smith, Daly City; Charles Lambert, Redwood City; Col. R. N. Hayden, Palo Alto; Supervisor Fred Beer, San Mateo; S. A. Keaton, San Mateo; G. B. Johnson, Montara, and A. B. Car-gill, Burlingame.

MARRIAGES DECREASE, DIVORCES INCREASE

Marriages in San Mateo county were on the decrease in the year just closed, while divorces were increasing, according to County Clerk E. B. Hinman's records.

Only 812 Marriage licenses were issued in 1935, as compared with 846 in 1934. Notices of intention to wed totaled 873 last year, while 924 filed application the previous year.

A total of 218 interlocutory decrees of divorce were awarded in the two superior courts in 1935,

as compared with 178 last year. Final decrees numbered 166 in 1935, 133 in 1934.

BIRTHS, DEATHS BOTH SHOW DECLINE HERE

Old Doc Stork slowed up in 1935. In the year just closed, only 59 births were recorded in Redwood City and its surrounding township, according to records of I. C. Drathman, registrar of vital statistics. The previous year, 74 were recorded.

Of the 59, 32 were girls and 27 boys. Forty-one of the new comers arrived inside the city, 23 of them girls and 18 boys, while in the unincorporated area nine boys and nine girls were born.

Deaths also were on the decrease 66 being recorded within the city and 114 outside, a total of 180, as compared with 193 for the previous year.

Boy, 12, Rescues Dog From Death in Ditch

Because a 12-year-old boy had the courage to descend the sides of a steep 10-foot ditch, a mongrel brown and white fox terrier was alive Monday, and waiting in the Redwood City pound hoping its owner will claim it.

The boy was Emmett J. Murphy of 17th avenue and Middlefield road, Menlo Park.

He heard a dog barking while he was walking along Marsh road, near the Flood estate. Investigating, he discovered the puppy had tumbled into the open ditch. Apparently the dog had been there several days. Emmett slid down the steep sides of the ditch and climbed back up with the dog, then telephoned Poundmaster Alan McKay, who brought the animal into Redwood City.

The dog will be held at the pound this week, at the end of which time if it is unclaimed it will be put to death.

SAN MATEO, Jan. 1.—On charges of driving while intoxicated, Norman E. McDonald of San Bruno was arrested early this morning by San Mateo police. His companion, Wallace McCloud, also of San Bruno, was booked for intoxication.

HOG RANCH ORDINANCE GIVEN BOARD APPROVAL

Menace to Health Under Present Conditions Causes Supervisors to Order Code For Control of Swine

Warned by Dr. Charles Gans, county health officer, that the peninsula would face a serious plague menace if existing conditions continued, the board of supervisors Monday approved the provisions of a proposed ordinance regulating hog ranches.

The ordinance, on motion of Supervisor Albert Witt Jr., Colma, and second of Supervisor Walter High, Burlingame, was referred to Asst. Dist. Atty. Daniel Sullivan to be placed in final legal shape for acceptance. The code had been drafted by attorneys for the hog ranchers.

Dr. Gans gave the code his acceptance, stating that he had given the hog ranch menace some eight or nine months of study, and said it covered the restrictions which he sought.

The ordinance provides for an inspector at \$175 per month, an expense which the Civic League, through Secretary Winfield Scott, protested as unnecessary. The league believes the work should be handled by the county veterinarian.

Hog ranchers are required to obtain a permit and to pay a license fee of \$100 per year.

Rules drawn up by Dr. Gans provide, among other things, that floors must be of portland cement. Hog ranches are defined as property on which more than 50 hogs are to be kept.

The ordinance will come up for introduction at next Monday's meeting.

OCEAN SHORE FUND SUPPORT SOUGHT

Following word from Earl Lee Kelly, state director of public works, that there are no funds now available for the Ocean Shore highway, the board named Chairman Manuel Francis, Half Moon Bay, Supervisor Witt and Planning Advisor Hugh Pomeroy to call on the San Francisco Board of Supervisors this afternoon to ask the metropolis' help in putting pressure on the state board.

This will be followed up at an early meeting in Sacramento, expected to take place early in January, at which time State Highway Commissioner Timothy Reardon will be reminded of his promises in connection with the road.

DEFER PURCHASES OF COAST BEACHES

The recreation commission informed the board that no further funds will be expended on beach acquisitions or development north of Kelly avenue, Half Moon Bay, until the present open septic tank and outfall sewer menace is removed.

The sewer project was recently completed by the Half Moon Bay Sanitary Sewer District, and Engineer. Urban Marshall was instructed to contact that body to see what corrections may be made.

OTHER MATTERS BEFORE BOARD

Other acts of the board included:

Filed for further reference applications of Bert Dwyer, San Mateo, and E. K. Farrell, Redwood City, for positions as traffic officers;

Heard protest of P. M. Schaible, Montara, against purchase of beach property at Thornton, who suggested that other sites would be more desirable in getting residents into San Mateo county;

Formed the Montara Sewer Maintenance District after Capt. Sigfried Olsen had entered his protest and then withdrawn it; also formed the Brisbane Sewer Maintenance District;

Agreed to engineering patrol of section of Junipero Serra boulevard from Colma to Junipero Serra intersection, and will report maintenance expense to district; refused to ask district to accept state's surrender of section from Daly City to Colma;

Street Extension Through School Meets Opposition

(Special to The Tribune)

SAN MATEO, Dec. 30.—Extension of a street through the grounds of the Central Grammar School, proposed by directors of the local chamber of commerce, was meeting today with opposition.

E. C. Lydon, member of the school board and country club manager, in an open letter, expressed a three-fold objection to the \$75,000 project: (1) the school playgrounds would be reduced from three acres to less than one acre; (2) the street would prove a traffic hazard to the children; (3) it would take taxpayer money to improve private real estate holdings, which would be benefited immensely by the new street.

The plan, suggested at a recent school board meeting, would extend Ellsworth avenue from Baldwin avenue to Second. The street work would cost \$25,000; the property involved, \$50,000.

Lydon declared that if the project is forced through, he "will take the whole matter to the grand jury."

Children's Colds Should Have This Safe Treatment

Young Mothers Benefit from Two Generations' Proof of This External Treatment For Fighting Colds.

IT AVOIDS CONSTANT "DOSING"

There's nothing like a child's cold to upset a young mother. And mothers of two generations, anxious to help end colds, have depended on Vicks VapoRub. It is effective—external—and safe. It avoids the risks of constant "dosing," so often upsetting to children's delicate digestions. Just rubbed on throat and chest at bedtime, VapoRub acts two ways at once:

1. By stimulation through the skin, like a poultice or plaster—
2. By inhalation of its penetrating medicated vapors, released by body heat and breathed in direct to inflamed air-passages.

Continuing through the night, this combined vapor-poultice action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion.

A Practical Guide for Mothers
Each year, more and more families are being helped to fewer colds and shorter colds by Vicks Plan for Better Control of Colds. Vicks Plan has been clinically tested by practicing physicians, and further proved in everyday home use by millions. Full details of the Plan in each package of Vicks VapoRub.

856 FARMS AND RANCHES RECORDED FOR COUNTY

34,195 Acres Are Devoted to Agriculture
On Peninsula, Census Discloses;
Hay, Vegetables in Lead

Somewhat larger acreage in crops in San Mateo county is shown for 1934 over 1929 by the 1935 Federal Farm Census preliminary report released today by Director William L. Austin, Bureau of the Census.

In 1934 crops were harvested from 34,195 acres as compared with 31,683 acres in 1929. Hay, vegetables, and oats are the principal crops grown.

Of the 98,750 acres of land in farms and ranches, 66,468 acres were available for crops in 1934. Of this land available for crops, 24,598 acres were in plowable pasture, 7,385 acres in crop land idle or fallow, and 290 acres were in land on which all crops failed in 1934.

Livestock reported in the county as of January 1, 1935, included 10,336 cattle, 19,062 hogs, 1,628 horses, and 1,530 sheep. Approximately 60 per cent of the cattle were cows and heifers two years old and over.

TWO COURTS PAY TRIBUTE TO LAWYER

Both Are Adjourned
After Bar Members
Honor Memory

Upon motion of Pres. J. E. McCurdy of the county bar association, both superior courts adjourned at the close of law and motion sessions on Monday out of respect to the memory of Attorney Frederick Walter Comba, who was found dead Sunday.

Both superior judges—Maxwell McNutt and A. R. Cotton—were sitting in department 1 for the brief rites, and both paid high tribute to Comba.

"It was a great shock to me to read of the passing of my good friend, Fred W. Comba," Judge Cotton said. "His death is a great loss to the bar. He was at all times a good friend, a courteous advocate and a perfect gentleman."

Said Judge McNutt: "If one could have placed a few words over his own grave, could have an epitaph in a few words that would speak volumes, could have what the late Fred Comba deserved, his ambition in life and in the future—because I assume we all believe in an immortality—would be gratified and those three words would sum up in my mind everything: obligingness, courtesy and kindness. And in each and all of those respects, he pre-eminently fulfilled the obligations of mankind. This motion, so far as the court is concerned, is granted, with extreme regret that we are obliged to grant it, but with honor to the court that it is permitted to do so."

BAY CHANNEL IS APPROVED BY WAR HEAD

Airport Enlargement,
Two Breakwaters
Planned at Port

The War Department Monday approved plans of the Public Utilities Commission of San Francisco to dredge a channel 6000 feet long, 800 feet wide and 7 feet deep, with a flared harbor area about 2000 feet wide at the shoreward end, the United Press reported from Washington.

Purpose of the improvement is to enlarge the San Francisco Municipal Airport located on the westerly shore of San Francisco bay near San Bruno in San Mateo county.

Permission was granted to construct two earth and rock breakwaters, one about 3700 feet long and one about 2400 feet long, to protect the shoreward end of the channel and to construct ramps and piers adjacent to the shore.

Eight Suffer Hurts In Traffic Crashes

(Special to The Tribune)

BURLINGAME, Jan. 1 — Five persons were hurt, one critically, in a three-car smashup in Burlingame at El Camino Real-Grove avenue intersection at 10:10 p.m. They were Elsie Pucci, 24, nearly scalped; Gertrude Molinari, 53, scalp wounds; Emma Cinquini, leg lacerations; Fred Cinquini, arm and leg cuts, and Richard Molinari, 63, a broken right leg, forehead cuts, and broken fingers. All live at 659 Baden, South San Francisco. They were treated at Mills.

The conference, headed by Dr. W. F. Durand of Stanford University and made up of representatives of the counties of San Francisco, San Mateo and Santa Clara, was responsible for the movement for reduction in the number of crossings.

C. A. Buck of Burlingame is the president of the Peninsula group, which includes J. P. Quinlan, F. C. Metcalf, Mona Christensen, George J. Davis and J. B. Howell.

Mrs. Minnie Del Maso, 38, San Francisco, suffered face and forehead cuts.

Carnival Ordinance Given County Study

First consideration has been given today by the supervisors to an ordinance proposing to regulate carnivals.

Supervisor Albert Witt Jr., Colma, protested a paragraph which proposed to license games of "skill or science," declaring this would legalize bingo, and asserting: "I wouldn't vote for that for a million dollars."

County adoption of the code will depend upon similar action by cities, it was agreed. The ordinance, when ready, will be submitted to councils for study.

18 Chinese in County Jail Here After Raid on Bayshore Place

San Mateo county's jail was full on grounds of insufficient evidence.

Booked at 5 a.m., the Chinese had been arrested in one of the most carefully planned and largest raids on gambling establishments ever conducted here.

In the raid, 12 county officers also held, until \$10 bail each was produced, 80 visitors to the Chinese gambling house run by the "Aleppo Association," located on the Bayshore highway across the road from the Pacific Bonecral Company plant just north of Brisbane.

With the \$800 in bail money and \$3,000 in currency and silver scooped up from four gambling tables and the bank, Sheriff James J. McGrath and nine deputies and Dist. Atty. Gilbert Ferrell and Deputy Louis B. Dematteis returned the 18 operators of the game in five cars to the jail. Dominoes and dice also were confiscated.

GRAND JURY'S RAID
The raid, brought about by the grand jury which had employed the Prather Detective Agency of San Francisco to gather evidence, was begun at 10:05 o'clock Monday night.

Sheriff McGrath, Undersheriff Lawrence Neri, Deputies Thomas Maloney, Leland Quinlan, Adolph Waldeck, Clement Nash, Dick Arnold and Matt Farrell, Constables George Krehl and Ferguson Owen, Jury Member Michael Boepke and Ferrell and DeMatteis surrounded the frame building, originally constructed under permit from the planning commission as a truck driver's tavern.

McGrath and Maloney had previously collared a gate watchman, the only American found on the premises, preventing him from signaling by a buzzer system into the den.

DOORS SMASHED DOWN
At a given signal, two doors were smashed down by sledge hammers, and the officers entered, announcing that the place was raided.

Chinese, jabbering, scurried together, not having time to pick up money and gambling paraphernalia.

Then followed a long session of securing names and addresses of all the guests, and their payment to the officers of the \$10 bail each. The operators were unable to raise the \$500 bail set by Justice Wade H. Clay, so were brought to the jail, where they were placed in the "tank." Two police dogs also were found in the gambling room.

It was the second raid on the establishment since its opening last summer. On September 19 three Chinese were arrested, convicted and fined \$100 each by Judge Clay, but on appeal to the superior court, Judge Maxwell McNutt reversed the convictions.

believes is the last large gambling organization, a raid on the Bingo place at Bayshore City several months ago apparently having put a permanent stop to its operation.

While declaring the district attorney's office and sheriff's staff had given the jury every cooperation asked, Ward explained it was felt best by the jurors to employ the detectives in order to get more conclusive evidence than that secured in the last raid which resulted in freeing the operators.

Date of arraignment of the Chinese before Judge Clay has not as yet been set.
